Case Report # 2018-00065729	

NARRATIVE

On 06/14/2018 at approximately 0754 hours, I was dispatched to an assault that already occurred at Fairfax Mental Health Hospital located at 916 Pacific Ave on the 7th floor.

I contacted [REDACTED], an employee at Fairfax, when I arrived on scene. [REDACTED] told me a new patient named [REDACTED] assaulted two staff members and two other patients shortly after arriving that morning. The staff members declined to be victims of a crime but the other patients wished to pursue criminal charges for the assault.

I contacted the patients, [REDACTED], and [REDACTED], individually. [REDACTED] stated she was standing outside her doorway when [REDACTED] punched her in the side of her head without provocation. [REDACTED] did not have any visible injury.

[REDACTED] stated she was walking down the hall when [REDACTED] punched her in the face. The punch left [REDACTED] with an abrasion above her left eye. [REDACTED] was frightened of [REDACTED] and feared for her safety. I saw [REDACTED] had a small red abrasion on her left eye lid.

[REDACTED] told me [REDACTED] was transferred to Fairfax that morning from the Snohomish County Jail. [REDACTED] noted [REDACTED] was agitated and aggressive upon initial contact. [REDACTED] saw her punch two staff members and approach [REDACTED] and punch her in the face without provocation.

[REDACTED] was heavily sedated following the assault. [REDACTED] told me [REDACTED] was currently incoherent and an interview would be unproductive. I did not speak to [REDACTED] about the assault.

I photographed the scene with my department issued camera. I uploaded the photographs to the secure EPD server.

I confirmed [REDACTED] identity by comparing her Fairfax admission photograph to her DOL photograph.

Fairfax was equipped with numerous security cameras. However, no one on scene had the ability to view the footage. I left my card including the case number for this report and requested they contact me when the footage was available to view and offload.

I have probable cause to believe [REDACTED] committed the crime of Assault 4 EMC 10.16.010 (2 counts) when she punched fellow patients [REDACTED] and [REDACTED] in their faces. [REDACTED]'s punch left [REDACTED] with a small abrasion on her left eyelid.

It is unknown how long [REDACTED] will remain at Fairfax for mental health treatment. I am forwarding this report to the prosecutor for charging consideration.

Nothing further.
